Lora grew up in the country between Berne and Monroe. She is married to Craig Sprunger. Next year, they will celebrate their 30th Wedding Anniversary. All of their married life, they have lived in Berne. They have two sons, Carson and Carter. Carson just recently graduated from Bluffton University and is working at DRG in Internet Marketing. Carter has two more years at Bluffton and he is double majoring in Marketing and Finance. He works in dietary at Swiss Village and this summer is doing an internship at Swiss Village with Michelle Lechlitner, Marketing Director. Lora's job varies significantly. Some of her responsibilities include the admission paperwork for any non-healthcare resident moving in, and helping those residents get settled and adjusted to living at Swiss Village. She also does the resident billing each month. She works with Michelle Lechlitner in the Marketing Department and also Derick Bailey in Resident Services. "I try to do whatever I can for the residents to make their life at Swiss Village enjoyable and make it a place they love to call home," Lora said. "I love making people smile!"
