## All Proceeds & Donations Benefit the Swiss Village Samaritan's Endowment

The Samaritan's Endowment assists residents, who through no fault of their own, are unable to provide for the full cost of care they need. Sometimes the best laid plans can fall short of our expectations and needs.

All donations help our neighbors, friends, church members, and community members continue to receive the care they need and deserve. Part of our Christian mission and ministry is that no resident should be denied care for outliving their funds through no fault of their own. Thank you for helping to make that ministry possible!
