RE: Indoor Visitations

We have GOOD NEWS for you! Beginning this Monday, October 5th you will now be allowed to have visitors inside your apartment providing we do not have any new coronavirus setbacks.

Below are the details:

- Visits must take place during the hours a receptionist is available at the front desk
 - Monday thru Friday 7:30 a.m. – 7:30 p.m.
 - Saturday 9:00 a.m. – 7:30 p.m.
 - Sunday 11:30 a.m. – 7:30 p.m.
- All visitors must check in at the front desk; have their temperature taken and answer a series of questions. If the visitor is visiting a resident in independent living, after check-in they can drive around to the nearest entrance to the resident apartment. As the doors are locked, the resident either needs to meet the visitor at the door or let them in their patio.
- Limit of 2 visitors per resident at a time.
- Visitors must go directly to the resident apartment and not stop anywhere or visit along the way. When the visit is over, the visitor must go directly to the exit.
- Masks must be worn during the visit and a social distance of 6 feet or more must take place. Please, no physical contact.

If you have any questions, please feel free to let us know.
