CELEBRATE RETIREMENT... ENGAGE LIFE!

October 11, 2021

Dear residents and families,

I had hoped to be writing a different letter this afternoon. Sadly, we will need to cancel outdoor visits for all our healthcare areas. Unfortunately, an employee has tested positive.

Please know, Essential Family Caregivers are still able to be with your loved one(s). We will continue to keep you updated and let you know when we're able to re-open indoor/outdoor visitation.

I've also attached an updated version of our Visitation Guidelines and Limitations.

I realize this news is difficult to receive and I'm grateful for your patience.

Please feel free to reach out to me or any of our team with questions.

With blessings,

Swiss Village, Inc.
