CELEBRATE RETIREMENT... ENGAGE LIFE!

October 11, 2021

Dear residents and families,

Just a short time ago, an employee came to us with cold-like symptoms. We immediately tested them, and their test came back positive for COVID-19.

This employee has been providing services in our residential areas. Based on the guidelines established by the Indiana Department of Health, we will need to cancel community dining and all activities in Langfeld and Steingarten.

As stated in our earlier communication, Essential Family Caregivers are still able to be with loved one(s).

Unfortunately, our county is experiencing a spike in positive cases. I know this news is very hard to hear and I, along with our entire team, share your frustration.

Please know, I will continue to keep you updated as we address these newest COVID cases.

I, and our team, are available to answer any of your questions.

Sincerely,

Swiss Village, Inc.
