CELEBRATE RETIREMENT... ENGAGE LIFE!

November 8, 2021

Dear residents and families,

We have a new positive case of COVID-19 in Blumengarten to report.

Therefore, based on the guidelines established by the Indiana Department of Health, we will need to cancel indoor and outdoor visitation, communal dining, and all activities in Blumengarten.

Unvaccinated residents living in Blumengarten are asked to remain in their apartments. Vaccinated residents are not required but are strongly encouraged to remain in their apartments as much as possible. Residents are required to remain in the Blumengarten area and are not permitted to be in other parts of the building. These restrictions will remain in effect until further notice.

Essential Family Caregivers are still able to be with loved one(s).

We have attached an updated version of our visitation guidelines and constraints for your reference.

We will continue to keep you updated.

We appreciate your understanding and cooperation. Please feel free to contact me or any team member with questions.

Sincerely,

Cris Morreale
