RE: COVID-19 Positive Assisted Living Resident

We have one new positive COVID-19 case in Assisted Living. At this time, all indoor and outdoor visitation, communal dining, and activities have been canceled for residents living in Assisted Living (Blumengarten). These restrictions will remain in effect until outbreak testing is complete.

All other restrictions remain in place.

Again, I appreciate your patience and understanding.

Please feel free to contact me or any team member with questions.

Sincerely,

Jay
