CELEBRATE RETIREMENT... ENGAGE LIFE!

August 24, 2021

Dear families and residents,

Over the past few weeks, you've received a lot of information related to COVID-19 and the impact here at Swiss Village. And while it's important to share these updates and facts, I wanted share, with you, from my heart.

These past few weeks have been difficult for you and your families. We've asked you to adjust to ever-changing restrictions based on updates from the CDC, the Indiana Department of Health and our status of active cases.

Through it all, you've been patient, understanding and supportive. And I wanted to take this opportunity to say, "Thank you!" Your cooperation has been very much appreciated by me and the entire Swiss Village Team.

I'm grateful to share that we've had several people recover and have moved back to their respective homes. It is, however, with great sadness, I share that we've lost three of our residents to COVID-19.

On behalf of the entire Swiss Village family, we send our most sincere condolences to the families of those residents who have passed. To everyone, please know you remain in my prayers.

I also want to acknowledge all the employees here at Swiss Village. They are the heart and soul of our organization and they've worked tirelessly throughout this entire time.

Again, from the bottom of my heart, thank you for your on-going support and understanding.

With heartfelt gratitude,

Jay
