CELEBRATE RETIREMENT... ENGAGE LIFE!

September 13, 2021

Dear residents and families,

We are excited to report that we will be able to resume outdoor visitation for residents living in Edelweiss Place, as of today, September 13th.

Unfortunately, we need to cancel outdoor visitation beginning immediately for Alpenrose Place. This is due to a contract employee testing positive that recently worked in that wing.

- We ask that you schedule your visit in advance, by signing up online at:
 - <https://www.swissvillage.org/healthcare-resident-visitation/>
 - If you are not able to register online, you may call 1-260-589-4458 to schedule a visit.

Outdoor visits continue to remain available for residents living in Lavendel Place.

At this time, we are not able to open up visitation for residents in Sonnenblum Place, Alpenrose Place, or Blumengarten. We will notify you as soon as we are able to open up visitation further.

We have attached an updated version of our visitation guidelines and constraints for your reference.

Please feel free to contact us with any questions.

Sincerely,

Sierra Saylor
VP of Healthcare Services
