RE: COVID-19

We have a new positive COVID-19 employee case. This case is isolated to the Edelweiss Healthcare Wing. Visitation for residents living in Edelweiss is canceled until further notice. Per state guidance, we will be testing all healthcare residents living in the Edelweiss Wing, and all employees who have been in contact with the positive employee. If no additional cases are found following testing, we will reopen visitation. Visitation is only canceled for residents who live in the Edelweiss Wing.
