

Swiss Village, Inc.

CELEBRATE RETIREMENT... ENGAGE LIFE!

TO: Kinder Haus Families and Staff
FROM: Cris Morreale, VP of Operations and Heidi Schoeneman, Kinder Haus
Director
DATE: August 14, 2020
RE: COVID-19

We have been made aware this afternoon that one of our Kinder Haus employees has tested positive for COVID-19. This employee has been at home self-quarantining since Monday evening and is asymptomatic. This employee wore a mask, as required, during their shifts at Kinder Haus prior to us learning about this exposure.

Per the Adams County Department of Health, we will reopen on Monday. We continue to take extra precautions in regard to cleaning/sanitizing and screening of anyone who enters Kinder Haus. A deep cleaning of Kinder Haus is scheduled for this weekend.

All employees of Swiss Village, including Kinder Haus employees, were tested for COVID-19 on August 13th per ISDH guidelines for nursing homes. This testing was already scheduled prior to us learning of this exposure.

We recommend that everyone self-monitor for any signs and/or symptoms of COVID-19. Please feel free to reach out if you have any questions.
