Healthcare Campaign for Excellence

The Healthcare Campaign for Excellence is creating a welcoming place for both current and future residents to call home and live life the fullest. You are providing a place that residents can be proud to call home and that enhances life with dignity, meaning, and opportunity for growth. Healthcare has served our residents well for 51 years but has become outgrown and outdated. Your gifts will help to make healthcare more home-like and usable for residents' current and future needs. We invite you to join in building excellence for all residents who call Swiss Village Healthcare home!

Tree Replacement

Ash Borer disease has affected numerous trees on the Swiss Village campus. Over 100 trees had to be cut down due to the disease. We are working to replace as many of those trees as possible with your help.

“The true meaning of life is to plant trees, under whose shade you do not expect to sit.”

- Nelson Henderson

\$225 equals one tree being replaced

Fundraising Special Projects

Music & Memory

Swiss Village is part of the national Music & Memory Program. This program uses music therapy and personalized playlists to help individuals living with Alzheimer's or other forms of dementia improve their quality of life. Residents have been shown to be less agitated, more cooperative, and have enhanced engagement among other things since music has a strong tie to memory and enjoyment.

\$150 equals one iPod

\$30 equals one set of headphones

\$25 equals 25 songs

\$20 equals one splitter cable for group therapy

Transportation Vehicle

Swiss Village helps to transport residents to and from medical appointments. This allows residents who no longer drive or whose family are unable to assist them to still get to those appointments. Swiss Village provides an average of 80 trips each month between three drivers and two vehicles. Your gift of a gently used vehicle or donation to purchase a vehicle would help to better care for our residents in need of transportation services. Please contact Jen Lehman if you are interested in this type of gift at (260) 589-4529 or Giving@SwissVillage.org
