Subject: Confirmed COVID-19 Case

Date: August 18, 2020

Swiss Village, Inc. has new updates on the coronavirus (COVID-19). This information is intended for our residents and their families, volunteers, visitors, and staff. Currently, Swiss Village has received notification that a second employee of Kinder Haus Daycare has tested positive for COVID-19. This person has been self-quarantined since Friday Evening, August 14, 2020.

Swiss Village has been in contact with the Adams County Health Department. As a precaution, Kinder Haus Daycare will be closed August 19 – 21, 2020. A deep cleaning of Kinder Haus will take place during the closure.

Swiss Village is following policies and procedures for infection prevention and control. These policies have been in place and CMS-approved for many years, and have been further-modified recently in response to the COVID-19 outbreak. Swiss Village continues to monitor and follow the ongoing recommendations and guidelines of the CMS and the CDC as pertains to this most perplexing virus.

If you need to contact Swiss Village please call 260.589.3173. Swiss Village's number one priority is the health and safety of its residents.

The Swiss Village Senior Leadership will continue to monitor the situation. Further updates will be posted on our Facebook Page and the Swiss Village Website at www.swissvillage.org.
